This workbook will be your notes and your map to smooth, successful Montessori days.

Creating **smooth, successful Montessori days** is easier than you realize when you make the time and put in the effort to delve deep into the **foundations of the Montessori philosophy**.

And here's why...

You can create smooth successful Montessori days, even if you are not certified and haven't read dozens of Montessori philosophy books.

To become a **confident, centered and organized Montessori Guide**, you'll need to have the structure of a comprehensive knowledge of foundations in the Montessori philosophy that can apply to lessons and materials across the board as you **nurture happy, normalized children**.

I'm going to share the _____ that are necessary to get this transformation.
